Fanul Nastia

Pranata Komputer at Balai Kekarantinaan Kesehatan Kelas I Banda Aceh
Banda Aceh, Aceh, Indonesia

Summary

I am currently focusing on studying Networking and Cyber Security to improve my skills and knowledge in computer network development. I have experience in assembling topologies and setting up wireless network systems on Cisco devices, as well as working with MikroTik and Huawei equipment. I also have a good understanding of internet networking principles. With a strong passion for learning, I always try to keep up with the latest developments in the computer networking industry and apply them in my work.
